Dear High Fives! Families,

I hope you are having a wonderful summer, and are excited about the upcoming school year. I know I am! I wanted to send a letter and touch base with everyone before the start of the school year.

I also wanted to extend an invitation to the **High Fives! orientation meeting on Thursday, August 16, 2018 at 6:30PM**. This very important meeting will pass along information about the upcoming school year. I would like every family to attend this meeting. We will be discussing the High Fives! handbook as well as other information about how the High Fives! program will work. Students **may not** attend this meeting. However, we will use the first day of school as a student orientation. **On Wednesday, August 22, 2018 parents and students should arrive between 8:20AM and 8:30 Am for classroom orientation**. Parents should plan on staying for the orientation, which will two hours at the most. Students are free to go when the orientation is over. The first "normal" day of school (8:20 AM-1:30PM) will be the following day (**Thursday, August 23, 2018.**)

I have attached a supply list as well as a student interest paper. Please bring students supplies and the interest paper to orientation. I look forward to meeting all of you and having a wonderful school year. Please feel free to email me anytime with questions. I believe communication is the key for a successful school year. My email address is nccawiddowfield@gmail.com.

Due to severe food allergies, we will be a NUT/PEANUT NUT and STRAWBERRY free classroom. Please start to plan accordingly. Students will not be able to bring anything containing these things to school for lunch or snack. Thank you for understanding.

Thank You,

Rochelle Widdowfield and the High Fives! Team
